

A PLAN THAT FITS IN EVERY WAY

If you're looking for comprehensive health benefits, plus the power to lower your annual costs and build health savings for the future, BlueFit could be the right fit for you.

Get financial incentives, right from the start

BlueFit delivers always-on guidance and incentives that save you money, reward healthy habits, and offset your deductible. Get your first \$100 auto-deposited into your Health Savings Account (HSA) by following these easy steps:

- Provide your contact information
- Opt in to receive plan documents electronically
- Have an active account with MyBlue so your BlueFit plan is just one tap away

You'll have even more rewards that Blue Cross Blue Shield of Massachusetts will automatically deposit in your HSA. Plus, your employer will fund at least 10% of the deductible into your HSA.

“

I like the option of growing money over time

since I'm healthy and typically only visit the doctor for routine checkups.

Love the idea of saving...

it appeals to a young person like me who doesn't spend a lot every year.

I'm really impressed with the plan...

BlueFit has a lot of perks, and I like that it pays me for being healthy. I can earn up to \$600 a year for my health savings account just by living my life.

BlueFit guides you through every opportunity to spend less and get more benefits. It also gives you access to incentives, assistance, rewards, and savings that build over time.
